

# Young FoEE Volunteers' Program 2021

## Program description

**Start date:** March 2021

**End date:** December 2021

**Composition of the group:** a group of 15-30 young people from different European countries, sharing common values and willing to contribute to a change!

### Activities:

#### For all participants:

- Monthly (online) meetings including *chill* moments
- Dedicated online skill-share sessions and trainings (e.g. campaigning, non-violent direct action, online tips, etc.)
- Direct invitation to all Young FoEE (online and physical) events
- Contribution to general activities of Young FoEE

#### In sub-group:

- Registration for one or several teams (e.g. EU policy, communications, campaigns, etc.)
- Regular (online) working meetings to define strategies, decide on actions and allocate roles and responsibilities
- Campaigns, event-organisation, activities as planned within teams.

### Commitment expected:

- Participants are expected to join at least 75% of the common meetings and meetings of their teams.
- Flexibility will be sought for the selection of meeting dates and hours, in order to allow the participation of all.
- Periods of unavailability for different reasons (private, educational or professional) are accepted. Advance notice is expected.

Young Friends of the Earth Europe – [www.youngfoee.eu](http://www.youngfoee.eu)

### Platforms:

- Young FoEE will provide online platforms for online meetings (i.e. Zoom), discussion, document-sharing and project management according to the needs of teams.
- Participants are expected to have an internet connection (if not, please, contact Young FOEE)

### Reward:

- Priority to attend certain Young FoEE and international events (e.g. Young FoEE Summer Camp, COP26, etc.)
- Certificate of participation (will be provided under the condition of active participation)

**... interested? Then, don't miss the call for volunteers!**
